- There is also a **Glossary** of key terms.

Part I - Important Information

1. Introduction

- 1.1 These Product Terms for Financial Instruments (“FI Terms”) are supplemental to the Lloyds Bank plc (“Lloyds Bank”) General Terms of Business and set out the terms and conditions that apply when Lloyds Bank provides you with the Financial Instruments as described in paragraph 15 below.
- 1.2 Lloyds Bank plc has its registered office is at 25 Gresham Street, London EC2V 7HN and it is registered in England and Wales under No.2065. Lloyds Bank is part of the Lloyds Banking Group, which comprises Lloyds Banking Group plc and its subsidiaries, associates and affiliated companies.
- 1.3 Lloyds Banking Group (“LBG”) has been required by legislation to conduct banking activities through two separate banks, Lloyds Bank plc which is designated as the “ring-fenced bank”, and Lloyds Bank Corporate Markets plc (“LBCM”) is the “non-ring-fenced bank”. Both are wholly owned subsidiaries of Lloyds Banking Group plc. Your contractual counterparty will be Lloyds Bank plc.
- 1.4 Lloyds Bank plc has appointed Lloyds Bank Corporate Markets plc to provide certain services that enable Lloyds Bank plc to fulfil certain of its obligations to you under these FI Terms, subject always to Applicable Regulations. Even in these cases, your relationship is with Lloyds Bank plc and subject to these FI Terms.
- 1.5 By ‘we’, ‘us’ or ‘our’, we mean Lloyds Bank plc.
- 1.6 By ‘you’ or ‘your’, we mean you as a person (if you are a sole trader) and your business or legal entity (including companies and partnerships).
- 1.7 It is important that you understand the nature of the risks involved with any of the Financial Instruments that you enter into with us. Our Risk Disclosure Statement is available via our website (“Website”): <https://www.lloydsbank.com/business/corporate-banking/important-information/commercial-banking-regulatory-information.html>.
- 1.8 Not all Financial Instruments are available to, or are appropriate for all clients. Please see paragraph 9 (Your status) for more information on how we determine and communicate categorisations that help us to determine your eligibility for our Financial Instruments.
- 1.9 In these FI Terms:
 - i. words and expressions shall have the particular meaning, if any, given to them in the body of these FI Terms and/or the Glossary set out at the end of these FI

Terms;

 - iii. references to a person or entity include a company, corporation, firm, unincorporated or incorporated association, or statutory authority;
 - iv. unless the context requires otherwise, references to any document include reference to such document as may be amended, supplemented, novated, substituted or replaced from time to time; and

 - 1.11 We suggest you keep a copy of this document in case you want to check the terms and conditions that apply to our Financial Instruments.

2. Understanding these FI Terms

- 2.1 These FI Terms form a binding contract between you and us, and are provided to you before you are able to enter into any Transaction with us, unless amended or varied as detailed in paragraph 10 (Variation or amendments) below.
- 2.2 You may also be required to enter into standardised market facing agreements and/or other documentation and agreements (“Product Agreements”) where you wish to transact certain Financial Instruments. You will be informed when such Product Agreements are required and you must execute these before any Financial Instruments or Transactions or orders can be completed and/or executed.
- 2.3 If there is any conflict between these FI Terms, the Lloyds Bank General Terms of Business or the Product Agreements, then the Product Agreements shall prevail over these FI Terms and these FI Terms shall prevail over the Lloyds Bank plc General Terms of Business, to the extent of any such inconsistency.

- 2.4 If your relationship with us was initiated via one of LBG's online platforms, then further terms specific to that platform may also apply to our relationship with you.
- 2.5 These FI Terms, which may be amended from time to time, supersede any other terms and conditions for Financial Instruments that may have been previously sent to you by us.
- 2.6 We suggest you keep a copy of this document in case you want to check the terms and conditions that apply to Financial Instruments.
- 2.7 If you have been categorised as a Retail, Professional, Eligible Counterparty or Institutional Client (see paragraph 9 (Your status)) you will be taken to have accepted these FI Terms by entering into any Transactions in Financial Instruments with us.

Retail Clients who only intend to transact foreign exchange spot contracts with us will not be required to provide this consent. However, should such Retail Clients then wish to transact Financial Instruments with us, the express consents required by paragraphs 11 and 21.1 must be provided before we will enter into any such Transactions.
- 2.9 If you are a Retail Client, we will provide you with a Key Information Document ("KID") in good time before any Transaction is concluded. A KID will be made available to you on our Website or a durable medium other than paper.

3. Your knowledge and understanding

- 3.2 You agree to provide us, on an on-going basis, with the information necessary to enable us to make an assessment of your knowledge and experience. However, we are entitled to assume that Professional Clients have the necessary experience and knowledge to understand the risks involved in relation to the particular Financial Instrument(s) which they wish to transact.

Part II – Terms and Conditions

9. Your status

9.1 Lloyds Bank is subject to various regulatory regimes that require us to consider, in different ways, which Financial Instruments are appropriate to each category of client. Our determination of your status under each of these regimes will be communicated to you by letter or electronic means either shortly after or at the same time as you receive these Terms. That communication will explain the different regimes that apply and how you will be treated in accordance with them, as well as a description of how you may request to be treated differently.

9.2 Certain of these regulatory regimes require us to categorise you as one of the following: a Retail, Professional, Eligible Counterparty or Institutional Client. Some Financial Instruments we offer are not appropriate for Retail categorised clients and so will not be available to you if you are deemed to be a Retail Client as described elsewhere in these Terms. Further explanation of this will be provided to you by your Lloyds Bank representative when discussing specific Financial Instruments with you.

9.3 As a result of the ring-fencing legislation (see paragraphs 1.3 and 1.4), we are required to consider if you might qualify as a Relevant Financial Institution (“RFI”). Unless an exception applies, LBCM will be the only LBG entity which will have exposures to RFIs. Unless agreed in writing between you and us, we will notify you or any legal entities within your corporate structure which have been classified by us as an RFI. We will also provide you with details of the process for objecting to that classification.

9.4 Retail, Professional, Eligible Counterparty and Institutional Clients will be taken to have accepted these FI Terms by entering into a Transaction with us. Existing clients will continue to transact under preexisting terms until 21 March 2022.

9.5 In addition Retail Clients intending to transact Financial Instruments will be required to expressly consent to paragraph 11, which sets out how we will communicate with you and provide you with information and paragraph 21.1 (Execution Venue) by signing a separate letter.

Retail Clients that only intend to transact foreign exchange spot Transactions with us will not be required to provide this consent. However, should such Retail Clients then wish to transact non-foreign exchange spot Financial Instruments with us, then the express consents will be required by paragraphs 11 and 21.1 and must be provided before we will enter into any such Transactions.

9.6 Not all Financial Instruments are available to, or are appropriate for all clients. Please see above paragraph 9.1 (Your status) for more information on how your categorisation is determined and communicated.

9.7 You agree to provide us with the information we reasonably request to enable us to categorise you or to perform our internal checks or due diligence. We may, from time-to-time, require you to provide us with up-to-date, additional or further information. You agree to respond to any requests for such further or additional information promptly and accept that if you fail to respond within the timeframe specified then these FI Terms may terminate in accordance with the provisions of paragraph 35 (Termination).

10. Variation or Amendments

10.1 We reserve the right at all times, subject to any rules of our regulators, to amend or vary these FI Terms by providing you with notice in writing. Any such amended or varied FI Terms will also be posted on our Website.

10.2 We will give you 30 days’ prior notice of any material changes to these FI Terms before they take effect.

11. How we will communicate with you and provide you with information

11.1 We will communicate with you and provide notices, Confirmations and information to you via electronic mail or other electronic means unless you ask us to communicate with you in writing by post or by fax and provide us with the address or fax number.

11.2 You will provide us with your electronic mail address and/or any other information required enabling the transmission of information by electronic means, and you will update us with any changes. You confirm that you have regular access to the internet.

11.3 You confirm that we may contact you from time-to-time by electronic means to provide you with information about our Financial Instruments.

11.4 Any communications by us to you may be directed to whomever we consider appropriate in your organisation in the circumstances for the purposes of the communication.

11.5 Unless otherwise agreed, you consent to our providing you with information via our Website. We will notify you in accordance with paragraph 10 (Variation or Amendments) of material changes.

11.6 For the way we will communicate to you and provide you with information, we refer you to paragraphs 17 (How we will communicate with you

and provide you with information) and 18 (General communications) of the Lloyds Bank General Terms of Business.

12. How you can communicate with us

- 12.1 Unless we agree otherwise, all communications by you to us will be in writing or via agreed electronic means, and sent to the address set out below or such electronic mail address as such as we may notify you in writing. Our address for the purposes of this paragraph is: Commercial Banking Markets Client Services, 10 Gresham Street, London, EC2V 7AE.

13. Confirmations

- 13.1 Confirmations will be provided by electronic means unless you give us five (5) working days' notice in writing that you wish to receive Confirmations via a different method. Confirmations will be sent to the last electronic mail address you provide, except where provided via other agreed electronic means (for example, SWIFT).
- 13.2 Confirmations are provided no later than one business day following execution. You should review the Confirmation and tell us if it is not correct before settlement. If you enter into a Transaction and do not receive a Confirmation, please contact us immediately.

14. Our Financial Instruments

- 14.1 Lloyds Bank plc does not provide investment advisory services and neither we nor any Associate will provide you with tax, legal regulatory or investment advice with respect to any Financial Instruments. Please seek your own independent advice in relation to such matters.
- 14.2 We will only enter into Transactions with you on either a non-advised or on an execution-only basis. We will not owe you a duty to advise on the merits or suitability for you of any of our Financial Instruments or Transactions.
- 14.3 We will provide you with appropriate information about our Financial Instruments, including guidance on and warnings of the risks associated with our Financial Instruments so that you are reasonably able to understand the nature and risks of the specific type of Financial Instruments we may provide you with and, consequently, to take any decisions on an informed basis.
- 14.4 You should only enter into Transactions with us that you fully understand including the risks associated with such Transactions, and which are consistent with your financial standing, investment objectives and the level of risk which you are willing to accept. All clients should ensure that they have appropriate investment knowledge and experience of the Financial Instruments they wish to transact. Before

entering into any Transactions you should read our Risk Disclosure Statement, which is available via our Website.

- 14.5 You agree to provide us, on an on-going basis, with the information necessary to enable us to make an assessment of your knowledge and experience. However, we are entitled to assume that Professional Clients have the necessary experience and knowledge to understand the risks involved in relation to the particular Financial Instruments.
- 14.6 We will not consider whether any Financial Instrument or Transaction is appropriate for Eligible Counterparty or Institutional Clients.

15. Types of Financial Instruments

- 15.1 These include but are not limited to:

Derivatives

A derivative is a financial contract whose characteristics and value depend upon the characteristics and value of an underlying asset such as currencies, interest rates or financial market indices. Our derivatives are not traded on an exchange, but are unique contracts arranged by negotiation between two parties and known as "over-the-counter" or "OTC" derivatives.

- 15.2 **Foreign exchange spot**

A foreign exchange spot transaction (or FX Spot) is an agreement between two parties to buy one currency against selling another currency at an agreed price for settlement on the spot date which is typically two Business Days after the deal is agreed.

16. Packaged Retail and Insurance-based Investment Products (PRIIPs)

- 16.1 In accordance with paragraph 2.9 above, we will, if you are a Retail Client, provide you with a KID in good time and you consent that we may provide you with any such KID by means of a website or a durable medium other than paper.
- 16.2 If you are a Retail Client, we will provide you with a Key Information Document ("KID") in good time before you enter into any Product (excluding FX Spot). A KID will be made available to you on our Website where it is appropriate and has been pre-agreed by you. Where the KIDs is provided to you via our Website, you have the right to request a paper copy of the KID free of charge.

17. Execution-only transactions

- 17.1 We will only transact a limited number of Financial Instruments on an execution-only basis. We will only do so if:
- i. you request to proceed on an execution-only basis at your own initiative;
 - ii. your request does not result in our being unable to manage our conflicts of interest; and
 - iii. any request is limited to non-complex Financial Instruments, which means transferable securities and highly liquid securities with publicly available prices that do not involve any actual or potential liability that exceeds the cost of acquiring the instrument.
- This excludes derivatives or other kinds of non-transferable securities.
- 17.2 Where we transact on an execution-only basis, we will not assess whether any Financial Instrument is appropriate or suitable for you and you will not benefit from associated regulatory protections.

18. Trading requests

- 18.1 Requests to enter into, cancel or amend trades, but for the avoidance of doubt, not the acceptance by you of any firm price offered by us ("Requests"), should be given to us by electronic message. However we, or you, may request or agree that such Requests are provided in writing (by fax or post) or verbally.
- 18.2 We retain the right to decline to act on any Requests, except where it is to cancel a deal before we have started to effect the relevant Transaction. Verbal Requests will be acknowledged orally and your and our verbal acceptance will be legally binding. We will acknowledge Requests by acting on them. You authorise us to rely on, and treat as binding any Requests (by whatever means transmitted) and which are given by you or by any person acting (or purported to be acting) on your behalf, and which are accepted by us in good faith. You accept responsibility for and will be bound by all contracts entered into following such Request.
- 18.3 We reserve the right to decline to trade, accept or to delay accepting Requests, without giving you prior notice on such conditions as we deem appropriate.
- 18.4 Where you send us a Request or an order via electronic message, we shall only be treated as having received your electronic message once we acknowledge receipt. This acknowledgement does not, however, indicate any agreement on our part to act in accordance with any Requests or orders contained in your electronic message.

- 18.5 Where you send us a Request or an order via our Arena electronic trading platform or application programme interface (API) provided by us, the Request, order, and any other related communication, shall be subject to the separate Arena Terms and Conditions and/or API User Agreement

19. Market orders

- 19.1 For certain Financial Instruments we may be willing to accept a firm commitment to trade from you where some of the final trade parameters are not known prior to our execution of your order (for example, price, quantity, timing). Whether we will agree to accept such an order is completely at our discretion.
- 19.2 Where we are willing to accept such an order from you, the price at which we will do so may include relevant charges which will be added to the price at which we transact, or may have transacted, in the market. We will inform you of any relevant charges in accordance with paragraph 27 (Costs and Charges).
- 19.3 Where such an order is accepted, we will endeavour to execute it as soon as reasonably practicable, but we will not be liable for any Loss resulting from any change in market conditions between the receipt and the execution of the order. We may postpone the execution of an order if we believe on reasonable grounds that it is in your best interests to do so.
- 19.4 We may aggregate your orders with orders for other clients or our own orders. Aggregation may work to your advantage on some occasions and to your disadvantage on other occasions. Market conditions may mean that the entire aggregated order is not executed in one transaction at a single price, in which case we may average the prices paid or received and we may report to you a volume weighted average price for the transactions instead of the actual price of each transaction.
- 19.5 Unless we agree otherwise, each open order will remain in effect until we have fully executed it or you have cancelled it. An open order will not be cancelled automatically by a subsequent order relating to the same Financial Instruments and it is your responsibility to cancel an open order where a substitute order has been entered. A Transaction resulting from the execution of any order which you have not cancelled will be entered in your account.
- 19.6 Types of orders where some trading parameters are not pre-agreed include, but are not limited to: "limit orders", which are orders to buy or sell when the market reaches a specified level; "at best" or "market" orders to buy at the best rate available; "stop loss" orders to buy or sell at a specified price and "benchmark" orders to buy or sell at a reference price established by a third party at a particular point in time.

For the avoidance of doubt, quote-driven activity, such as requests for quotes, price streams, call levels and indications of interest do not meet the criteria to be considered orders. An order will only arise from such activities should we agree to trade a Financial Instrument where all trade parameters have been agreed with you and you have given us a firm instruction to deal.

- 19.7 Where we accept an order, we will act in accordance with our “Best Execution Approach”, in accordance with paragraph 20 below. We shall notify you of any material changes to our “Best Execution Approach” in writing. A copy will also be posted on our Website.
- 19.8 Further details on Our Approach to Order Handling and Execution can be obtained from our Website (<https://www.lloydsbank.com/business/corporate-banking/important-information/order-handling-important-disclosures.html>) and is available from your Lloyds Bank representative upon request.

20. Best execution

- 20.1 The best execution obligation, referred to in our “Best Execution Approach” (which sets out our policy on best execution), may be owed to you where you are a Retail Client or you are a Professional Client and where we deem that you are legitimately reliant on us. Our “Best Execution Approach” can be found on our Website <https://www.lloydsbank.com/business/corporate-banking/important-information/best-execution.html>. If you are an Eligible Counterparty or Institutional Client, then best execution will generally not apply unless you request otherwise, although we are still required to treat you fairly
- 20.2 Subject to paragraphs 20.1, 20.4 and 20.6, we will take all sufficient steps to provide you with best execution in accordance with our “Best Execution Approach”.
- 20.3 Foreign exchange spot transactions are not regulated Financial Instruments according to Applicable Regulations (including the Markets in Financial Instruments Directive and related rules (as amended or superseded)) and are not covered by the best execution rules. However, we are subject to a regulatory obligation to treat you fairly as well as to manage any conflict of interest when executing foreign exchange spot Transactions.
- 20.4 Unless you notify us otherwise, we shall consider the continued business by you to constitute your acceptance of, and continued consent to, “Our Best Execution Approach”.

- 20.5 Where we receive your specific instructions in relation to how you want us to execute your order or Transaction, we will act in accordance with those specific instructions. Our obligation of best execution will be satisfied by executing the order in accordance with your specific instruction.
- 20.6 We will provide reporting information of our top execution venues in accordance with Applicable Regulations on our Website

21. Execution Venue

- 21.1 We operate on a principal to principal basis, therefore any order or Transaction you enter into with us, is with us as your execution venue. We do not direct orders as agent to other execution venues. However, we will have regard to the wider market in the relevant Financial Instruments when complying with our obligations for providing best execution in accordance with our “Best Execution Approach”. You expressly consent to our executing orders outside of a Regulated Market, Multilateral Trading Facility or Organised Trading Facility.
- 21.2 Certain Transactions may be subject to restrictions under Applicable Regulations which will require them to be concluded on a Market (including equivalent third country trading venues). In these circumstances, we will only execute these Transactions on such a Market.

22. Systematic Internaliser

- 22.1 We act as a systematic internaliser (“SI”) where we execute client orders on an organised, frequent, systematic and substantial basis, outside of a trading venue (such as a Regulated Market, an Organised Trading Facility or a Multilateral Trading Facility). When executing client orders as a SI, we deal on our own account, which means we will be trading against our capital. This does not include engaging in riskless back-to back matching of transactions (e.g. acting like an exchange).
- 22.2 When acting as a SI, we will make public, firm quotes in bonds, structured finance products, or derivatives traded on a trading venue. In order to provide these quotes, we may limit:
- the number of Transactions we undertake to enter into at the published quote; and
 - the total number of Transactions that we undertake with other clients at the published quote.
- 22.3 If we are a SI and providing pre-trade transparency, then details of our approach on SI transparency will be available to you on our Website.

23. Incorrect pricing

- 23.1 In the event that any prices quoted by us are incorrect due to being unrepresentative of the current market value for a Transaction of that size and nature, we will not be bound by that quote (whether or not confirmed by us), where it is recognised by us within two (2) Business Days of any Transaction.

24. Settlement

Method of settlement

- 24.1 Standard settlement will be on a delivery versus payment basis. We may, at our discretion, agree alternative settlement arrangements with you.
- 24.2 Unless otherwise agreed, cash settlement must be in immediately available, freely convertible funds of the relevant currency.

Payment and deliveries

- 24.3 Payments and, where not already held by us, certificates or other documents required to settle Transactions must be delivered by you in time to enable us to complete settlement within the time frames specified.
- 24.4 Where you are required to deliver or re-deliver an asset, you must ensure that the necessary documents (including the appropriate and duly stamped instruments of transfer) are executed and that all instructions required are given to procure that all rights, title and interest will pass from you to the transferee and that these are free from any and all liens, charges and encumbrances.
- 24.5 Delivery and transfer of title will take place in accordance with the rules and procedures applicable to the relevant asset and market, as in force from time to time.
- 24.6 Where these documents, or immediately available funds, are not provided in the timeframe required for settlement we will not be obligated to settle any Transaction or account to you.

25. Transaction and trade reporting

- 25.1 Where we are required by Applicable Regulations, to make transaction information public and/or available to a relevant regulator, you agree and acknowledge that:
 - i. any and all proprietary rights in such transaction information is owned by us; and
 - ii. you waive any duty of confidentiality with respect to that information which we are required to disclose.
- 25.2 You must provide us with, and maintain, a valid LEI Code before we will undertake any Transactions for you unless you qualify for an exemption as set out in our "Legal Entity Identifier Information" disclosure which can be

found on our Website. www.lloydsbank.com/business/corporate-banking/important-information/commercial-banking-regulatory-information/mifidii.html Please contact your Lloyds Bank representative for information on whether you will qualify for this. If you represent that an exemption applies and this changes in the future, you are obliged to inform us of this change prior to entering into the relevant Transaction.

- 25.3 If you are an Investment Firm and/or subject to post trade reporting then, subject to paragraph 25.4, where we execute a reportable Transaction with you on an OTC basis, we both agree that the party acting as seller shall post trade report the Transaction in accordance with Applicable Regulations.
- 25.4 Where only one of us is acting as a SI and that party is also acting as the buyer in the Transaction, we both agree that the buyer will report the Transaction in accordance with Applicable Regulations.
- 25.5 You must inform us where any proposed Transaction would constitute a Short Sale, at or before you instruct us on, or enter into, the Transaction.
- 25.6 Unless required by Applicable Regulations, we will not make any trade or transaction reports on your behalf in respect of any Transactions unless otherwise agreed with you in writing.

26. Distribution arrangements

- 26.1 You agree and represent that you will only enter into Transactions in Financial Instruments for your own account and not in the capacity of Distributor unless we agree otherwise.
- 26.2 In the event that we agree, you acknowledge that we and you may have certain obligations under Applicable Regulations and you agree that you will provide us with, and we may provide you with, certain information which may be necessary for us to meet our obligations under Applicable Regulations.
- 26.3 Should you wish to distribute any of the Financial Instruments provided by us please contact your Lloyds Bank representative.
- 26.4 Depending upon your individual circumstances, you may also be liable for any relevant taxes and costs that are incurred as a result of the tax treatment of any Financial Instruments and/or Transactions.

27. Costs and charges

- 27.1 In accordance with Applicable Regulations, we will disclose our costs and charges (including any fees or commissions where applicable) and/or the basis upon which we charge you, prior to and/or following, execution of Transactions in our Financial Instruments as agreed between us. Information will be provided in “Our Approach to Costs and Charges Calculations” which is available from our Website or on request, and you can request a breakdown of our aggregated costs at any time.
- 27.2 You will be responsible for any liabilities, costs, charges and expenses, including the payment of any tax, brokerage, transfer fee, registration fee, or stamp duty payable and properly incurred by us in connection with any Transactions.

30. Agency

- 30.1 Your relationship with Lloyds Bank is based upon you acting as principal in respect of the Financial Instruments and/or Transactions that we transact with you. Where you act as agent on behalf of someone else you agree to disclose this to us and the identity of the person you are acting for before entering into these FI Terms. Where this disclosure is not made we will continue to treat you as our client, and not the underlying principal.
- 30.2 If you act as agent on behalf of one or more principals, whose identity you shall disclose:
 - i. you accept these FI Terms for yourself and each principal;
 - ii. you confirm that you have been authorised to disclose the identity of each principal and to accept these FI Terms on their behalf;
 - iii. that you alone are our client and not the principal.
- 30.3 Where you act as agent, references to “you” in these FI Terms means you as agent, and not your principal(s).

31. Inducements

- 31.1 Except as provided in paragraph 31.2 below, we are not permitted to receive or provide any inducements from or to third parties. Inducements include any fees, commissions, monetary or non-monetary benefits in relation to any Transactions under these FI Terms or any Additional Terms where to do so may impair our duty to act honestly, fairly and professionally, in accordance with the best interests of our clients.
- 31.2 Any inducements may only be accepted where they enhance the quality of our service provision; they do not impair compliance with our duty to act honestly, fairly and professionally in accordance with the best interests of our clients, and where we have made the necessary disclosures about the inducement to our clients ahead of any Transactions.
- 31.3 When you are an Investment Firm, you will need to make your own assessment to determine whether any of the restrictions on inducements apply to you and whether you are able to receive and/or retain such benefits.

32. Limitation of liability

- 32.1 No Lloyds Bank Person will be liable to you or any third party for any Loss you may suffer in connection with these FI Terms, any Additional Terms or any Transaction, except to the extent that such Loss arises as a direct result of the gross negligence, wilful default or fraud by any Lloyds Bank Person.
- 32.2 No Lloyds Bank Person will be liable to you or any third party in connection with any Transaction, these FI Terms or any Additional Terms for:
 - i. any loss of profits or opportunity due to an increase in the value, or any Loss due to a decline in the value, of any Financial Instruments which are or were the subject of a Transaction or a potential Transaction;
 - ii. any other type of indirect, consequential or special Loss, even if an Lloyds Bank Person should reasonably have been aware of the possibility of that Loss being incurred;
 - iii. the solvency, acts or omissions of any broker, nominee, custodian, settlement agent, securities depositary or other third party through or with whom a Transaction is carried out or in whose control any of your Financial Instruments or documents or certificates giving or evidencing title to them may be held, or any bank with whom we maintain any bank account, or any other third party with whom we deal or transact business or whom we appoint on your behalf, other than any such entity which is an Associate of ours, but to the extent that you reasonably request us to do so, we will

make available to you any rights that we may have against any such person;

These FI Terms and any Additional Terms set out the full extent of our duties and no Lloyds Bank Person is subject to any fiduciary or equitable duties which: (i) are more extensive than the obligations set out in these FI Terms or, any Additional Terms; or (ii) would prevent us or any Associate from carrying out any services or activities with or for other persons.

- 32.3 Nothing in these FI Terms or, any Additional Terms will require any Lloyds Bank Person to take or not to take any action which would in our opinion breach Applicable Regulations.
- 32.4 The provisions of this paragraph 32 (Limitation of liability) will only limit the liability of any Lloyds Bank Person to the extent permitted by Applicable Regulations.
- 32.5 Nothing in these FI Terms or any Product Agreements shall exclude or restrict any duty or liability that we owe to you under the regulatory system established under the Financial Services and Markets Act 2000 and the rules of our regulators. Notwithstanding any provision of these FI Terms or, any Additional Terms, we shall be entitled to take any action that we consider reasonably necessary to ensure compliance with Applicable Regulations.

- 33.1 You agree, on demand, to reimburse and indemnify any Lloyds Bank Person for any Loss that we have or may suffer or incur in connection with any Transaction or Financial Instruments as a direct result of:

Severability

- 35.2 If any provision of these FI Terms is found by any court or regulatory or administrative body of competent jurisdiction to be invalid or unenforceable, then:
- i. the invalidity or unenforceability of that provision will not affect the other provisions of these FI Terms, which will remain in full force and effect;
 - ii. if that provision would be valid or enforceable if part of it were deleted, then the provision in question will apply with such modification(s) as may be necessary to make it valid and enforceable; and
 - iii. if paragraph 35.2(ii) does not apply, then you and we agree to negotiate in good faith to substitute for any invalid or unenforceable provision a valid and enforceable provision which achieves to the greatest extent possible the same effect as would have been achieved by the invalid or unenforceable provision.

No Waiver

- 35.3 A failure or delay by us in exercising any right in respect of these FI Terms will not be presumed to operate as a waiver. In addition a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise of that right or of any other right under these FI Terms.

Rights of Third Parties

- 35.4 Subject to paragraph 32.4 of the Lloyds Bank General Terms of Business, the Contracts (Rights of Third Parties) Act 1999 shall not apply to these FI Terms.
