### Why we're closing this branch

Before we close any branch, we look at how our customers are managing their money and using the branch. Most customers are now using our Mobile Banking app, Internet Banking or calling us instead, which means they are using branches much less.

Because of this, we'll be closing our Bishop Auckland branch. We'll explain more about how we made our decision, and how customers are using this branch on the following pages.

### Helping you bank online

You can do your everyday banking with our Mobile Banking app and Internet Banking. It's simple and safe to use and our branch colleagues are happy to support you to get started.

#### Banking near you

Lloyds Bank is part of the same group as Halifax and Bank of Scotland. You can use any of these banks' branches to do your everyday banking tasks and get help from branch colleagues just as you can in a Lloyds Bank branch today.

We've suggested an alternative to the Bishop Auckland branch in the enclosed guide. It includes the ways you can bank in person at the Post Office®, cash machine (ATM), and how you can pay in or withdraw cash.

There's also information about Access to Cash Reviews, how to see the results of a LINK assessment and how to appeal or request one.

See the Quick Guides for all everyday banking tasks and ways you can do them.

You can also contact us in the following ways:

If you're a Personal  
customer call  
**0345 300 0000**

Speak to one  
of our colleagues  
at any branch

If you're a Business  
customer call  
**0345 072 5555** or speak
