

Branch closure feedback – how we responded and supported our customers

Before we decided to permanently close the Kendal branch, we carried out a thorough review to understand how our customers and the community would be impacted. We're now near to the closure of this branch, which will close on 10 February 2025.

Your nearest branches to the Kendal branch are Lancaster branch and Barrow-in-Furness branch. You can also use any Lloyds Bank branch to do your banking. Go to lloydsbank.com/branchfinder for more information.

Communicating this change to customers

When we announce that a branch is closing, we take a number of factors into account in line with Financial Conduct Authority guidance. We've summarised these in the Branch Review Document, which you can find at lloydsbank.com/branchclosures

We wrote to customers who use the Kendal branch, to let them know it would be closing. We explained about the other ways they can continue to do their banking with us.

We displayed a poster in the branch to let customers know it was closing. Our colleagues there spoke to customers about other ways to do their banking. These include using our Mobile Banking app, Internet Banking, calling us, or using the Post Office®. We let customers know the nearest alternative branches, free cash machines, Post Office and that a Community Banker would be available nearby.

We contacted members of the local community

Who we contacted to understand the impact of the branch closure

- The local MP for Westmorland and Lonsdale
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- The local Citizens Advice Bureau
- The local Chamber of Commerce.

The feedback we received

- Our customers told us they were sad to hear about the closure of the branch. We explained how we are supporting our customers with different ways to bank, including services available at the Post Office.
- Tim Farron MP wrote to us on behalf of a constituent concerned about the impact the closure will have on traders and customers. We responded with details of the alternative ways customers can bank with us including the Post Office, over the telephone and via our Community Banker. We also explained how our branch colleagues are supporting customers ahead of the closure.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Kendal branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.
