

## Branch closure feedback – how we responded and supported our customers

**Before we decided to permanently close the Sidcup branch, we carried out a thorough review to understand how our customers and the community would be impacted. We're now near to the closure of this branch, which will close on 26th March 2025.**

Your nearest branches to the Sidcup branch are Bexleyheath branch and Orpington branch. You can also use any Lloyds Bank branch to do your banking. Go to [lloydsbank.com/branchfinder](https://lloydsbank.com/branchfinder) for more information.

### Communicating this change to customers

---

When we announce that a branch is closing, we take a number of factors into account in line with Financial Conduct Authority guidance. We've summarised these in the Branch Review Document, which you can find at [lloydsbank.com/branchclosures](https://lloydsbank.com/branchclosures)

We wrote to customers who use the Sidcup branch, to let them know it would be closing. We explained about the other ways they can continue to do their banking with us.

We displayed a poster in the branch to let customers know it was closing. Our colleagues there spoke to customers about other ways to do their banking. These include using our Mobile Banking app, Internet Banking, calling us, or using the Post Office®. We let customers know the nearest alternative branches, free cash machines, Post Office and that a Community Banker would be at the Banking Hub one day a week.

### We contacted members of the local community

---

#### Who we contacted to understand the impact of the branch closure

- Louie French MP for Old Bexley and Sidcup
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Citizens Advice Bureau in North & West Kent - Swanley
- Kent Invicta Chamber of Commerce

#### The feedback we received

- Our customers told us that the decision to close the branch was disappointing, and we discussed alternative banking options with them.
- We met Louie French MP to explain how we will be supporting customers ahead of the branch closure, and explained how a deposit service recommended by LINK, will benefit the community.

#### What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We have a dedicated telephony team to help customers who may need extra support after the branch closes.
- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support any customer who wants to be able to use the internet for banking.
- Our colleagues at Sidcup branch have been given the training they need to talk to customers about how we can help them, especially those who may need extra support.
